Located in St Johns, our Manchester venue redefines modern golf through advanced precision and effortless sophistication.

From game-building sessions to high-impact client entertainment in our premium bays, every detail is engineered for performance and connection.

Step off the bays and into our luxury lounge, where shuffleboard tables, signature mixology, wines and draught beers set the tone.

Membership Stories

“

My pitch membership has been a fantastic way of catching up with clients and mates. We have held some brilliant events here too.

The service is superb and feedback we have received from people we have hosted here is always top notch. We have used it that much that in our office Pitch is called the 'meeting room'. Huge thanks to Mya and the rest of the team.

“

Joining Pitch Golf Manchester has completely transformed my routine and elevated my game. The venue is beautiful and the golfing bays offer incredible accuracy whether I am attending a lesson, during solo practice, playing a casual round or just hanging out with friends.

The staff are amazingly friendly and helpful, always ensuring every visit is seamless. I always have a fantastic time. It has truly become my favourite spot to relax, connect and continuously improve as a golfer.

“

Pitch is an amazing facility and my favourite place in Manchester. I've been a member for a year and it's well worth the money.

The place is lovely inside, amazing golf booths, nice lounge bar and a good food offer. The staff are fantastic and make every visit special. I mainly go on a personal basis, but Pitch is great for a company or corporate event. When I've taken clients, suppliers and partners to Pitch, they've absolutely love it.

A Note from us,

As Membership Manager at Pitch Manchester, one of the things I love most about our membership is that there really isn't one definition of what being a member looks like.

Membership at Pitch is not just about golf. Of course, golf is at the heart of what we do, but it's so much more than that. It's about community, socialising, events, networking, corporate gatherings, meeting new people and having a space where you genuinely feel part of something.

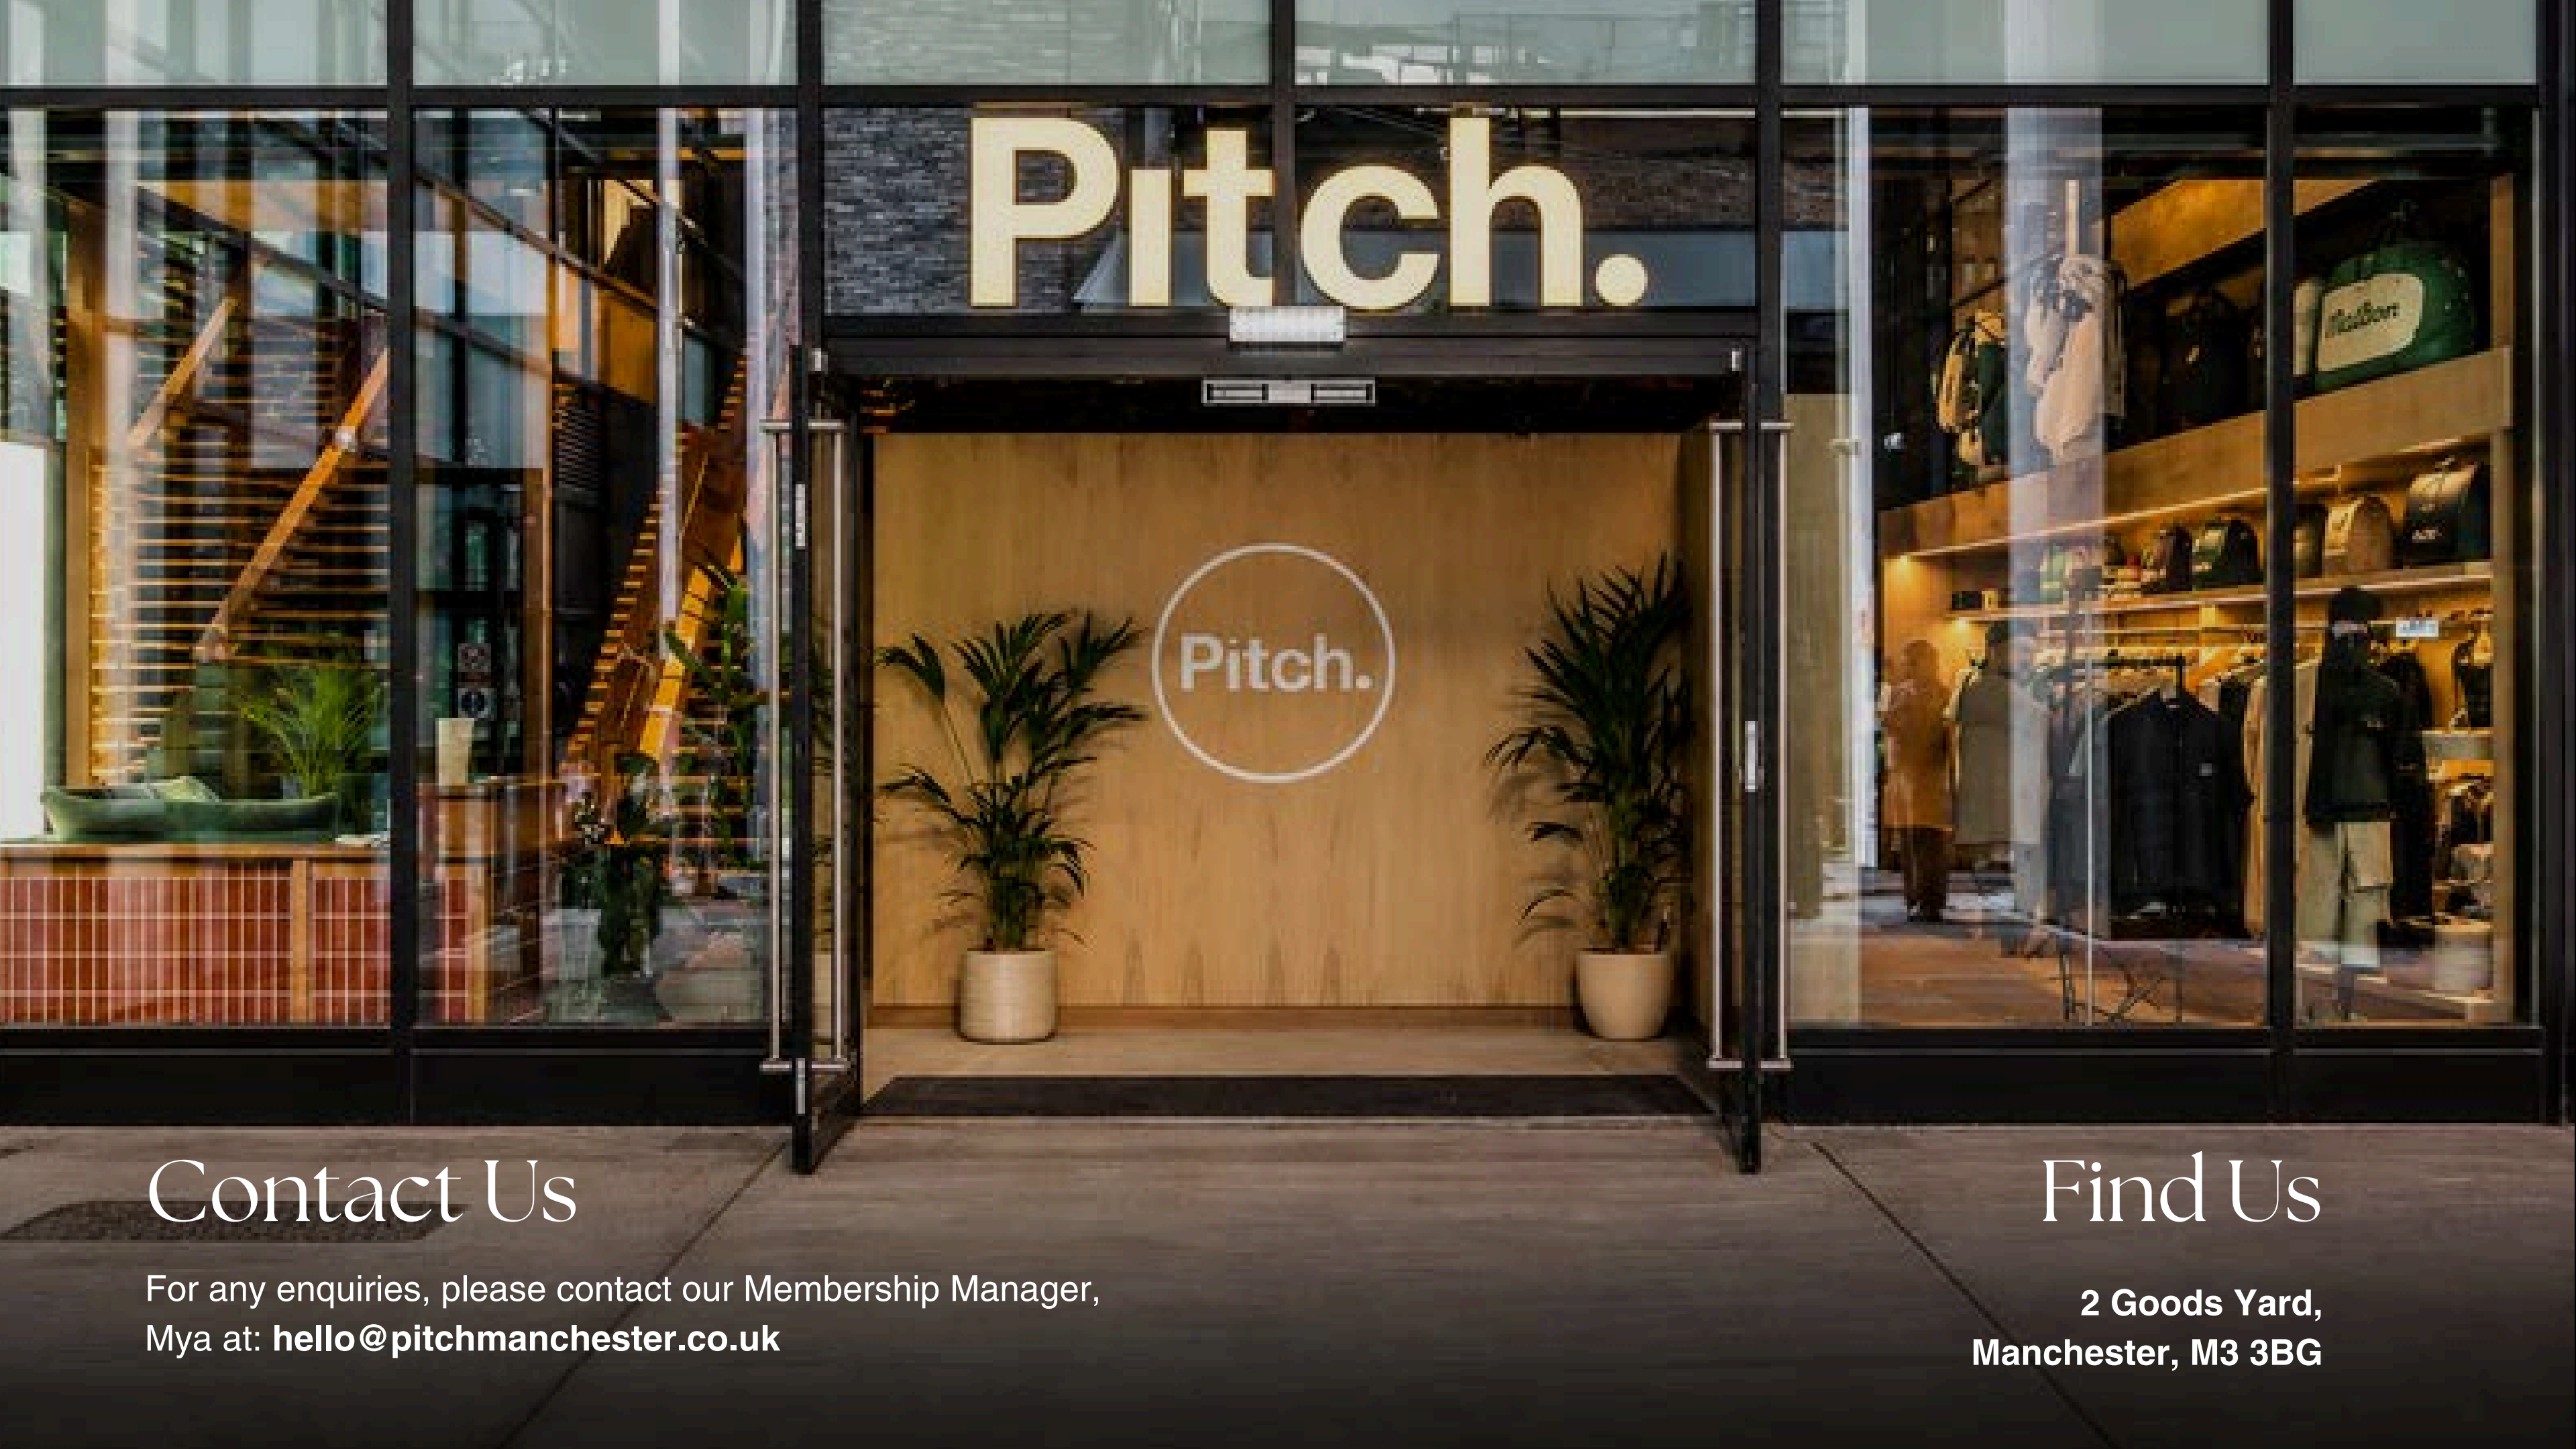

We have members who joined because they're passionate golfers, members who are completely new to the game and want to learn, corporate members looking for a different environment to entertain and connect, and others who simply want somewhere great to spend time, socialise and meet like-minded people. There really is no right or wrong way to be a Pitch member and that's what makes our experience so special.

Our members love Pitch for the space, the atmosphere and, most importantly, the people. You can come in for a round of golf, stay for a drink, attend an event, bring a client, meet friends or simply enjoy being in the space. It's somewhere that naturally brings people together.

For me, the real value of membership is that it becomes part of your lifestyle. It's not simply a membership you buy, it's a community you join, relationships you build and experiences you become part of.

That's what makes Pitch Manchester different. It's much more than golf, and much more than a membership. It's a place to belong.

Mya, Membership Manager

The image shows the storefront of a retail store named 'Pitch.'. The entrance is framed by large glass panels. Above the entrance, the word 'Pitch.' is displayed in large, bold, yellow letters. Inside the entrance, a wooden wall features a circular logo with the word 'Pitch.' in white. Two potted plants are placed on either side of the entrance. To the left, a staircase with wooden steps and railings is visible. To the right, the interior of the store is visible, showing clothing racks and shelves.
