

A man in a light blue shirt and dark trousers is captured mid-swing on a golf simulator. He is standing on a green artificial turf mat. In the background, a large screen displays a virtual golf course with a green and a white flag. To the right of the screen, a small digital display shows statistics: '100', '100', '100', and '100'. In the foreground, several people are seated at a white bar, watching the golfer. The bar has three glasses of beer on it. The room has dark red curtains on the walls. The word 'Pitch.' is overlaid in large white text across the center of the image.

The background image shows the interior of a modern golf club lounge. It features a warm, rustic aesthetic with exposed wooden beams on the ceiling and a polished wooden floor. Several tables and chairs are arranged throughout the space. In the background, there is a bar area with shelves displaying various items. The lighting is soft and ambient, with some pendant lights visible. The overall atmosphere is cozy and sophisticated.

“I’ve been a member since 2017 and have seen my handicap drop from 31 to 12. I like Pitch because they have all the same tech as other academies, but a few times a month I can bring my friends for a proper 18-hole match and a few drinks, with no guest fees. In winter, especially, that’s incredibly useful!”

-Joe C, main club: Pitch City

“I’m quite an avid practicer and see huge value in unlimited off-peak usage. My job is quite stressful, so being able to take breaks and book free bays on the same day really helps me, rather than having to book ahead. I’ve been a member for 6 years and I love it.”

-Frank W, main club: Pitch Wharf/Soho

A photograph of the Pitch. Manchester storefront at night. The entrance is a large glass door with a wooden interior wall. Above the door, the word "Pitch." is written in large, illuminated yellow letters. Inside the door, a circular logo with the word "Pitch." is visible on the wooden wall. Two potted plants are placed on either side of the entrance. The interior of the building is visible through the glass, showing a modern office space with a staircase and a person sitting at a desk.
