Riverside Terrace

Pitch Wharf

Pitch Wharf was built with hosting spectacular events all year around in mind, and summer is the perfect time to take advantage of our outdoor terrace overlooking the canal.

The main floor features a panoramic view of The Wharf, 11 simulator bays, a huge bar and a sprawling lounge with live DJ as requested. The huge windows are a feature which our guests love and allow attendees to enjoy a rare mix of gaming with sunlight throughout.

Make the most of the warmer months by extending your event onto our waterfront terrace, ideal for drinks, socialising, and relaxed team-building. For larger events, seamlessly combine indoor and outdoor spaces to create a well-rounded experience.

Our Games

Experience the modern way to play golf with **virtual games** like Party Putt, Cannon Bowl, and Streets of Neon. Perfect for all skill levels, Trackman games offer challenges from precision tasks to fun showdowns like closest to the pin.

Elevate your event at Pitch with full or half-venue hire, offering activities like **shuffleboard**, **roulette**, **Nintendo Switch** or even casino corner which is always a popular option.

For an added touch, enjoy expert coaching from our **PGA Professionals**—perfect for beginners or those looking to refine their game. Custom arcade games are also available on request, making it ideal for mixed-ability groups.

The image shows the interior of 'The Shuffle Social', a modern lounge or bar. In the foreground, there are three shuffleboard tables with dark wood tops and metal frames. High-top bar stools with patterned seats are positioned around the tables. In the background, a bar counter is visible with shelves of bottles and a menu board. A staircase with a metal railing leads to an upper level. The walls are a warm, light brown color, and there are framed pictures on the wall. The floor is made of light-colored wood. The overall atmosphere is bright and contemporary.

This exciting new addition brings more ways to compete, connect, and unwind. Perfect for elevating your events, shuffleboard adds a unique blend of strategy and social play to any occasion.

Food & Drink

Designed exclusively for Pitch, our JIYŪ menu includes Asian-infused dishes which have been curated by the ex-head chef of the Ivy Steve Tonkin. When mixed with delicious cocktails, Japanese lager and a very modern wine list, your guests will be spoilt for choice.
