Pitch Manchester

Pitch Manchester was built with hosting spectacular events all year round in mind. Situated in the heart of the city centre and spread over 10,000sqft, your guests can enjoy a night to remember where a little competitive fun meets a lot of style and sophistication.

The main floor features 10 trackman simulator bays, three shuffleboard tables, a huge bar and a sprawling lounge with a live DJ as requested.

The huge windows are a feature which our guests love and allow attendees to enjoy a rare mix of gaming with sunlight throughout.

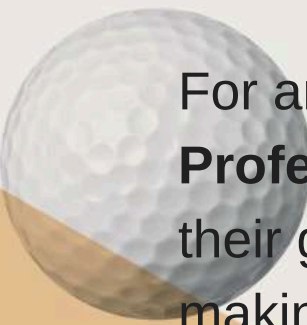

Our Games

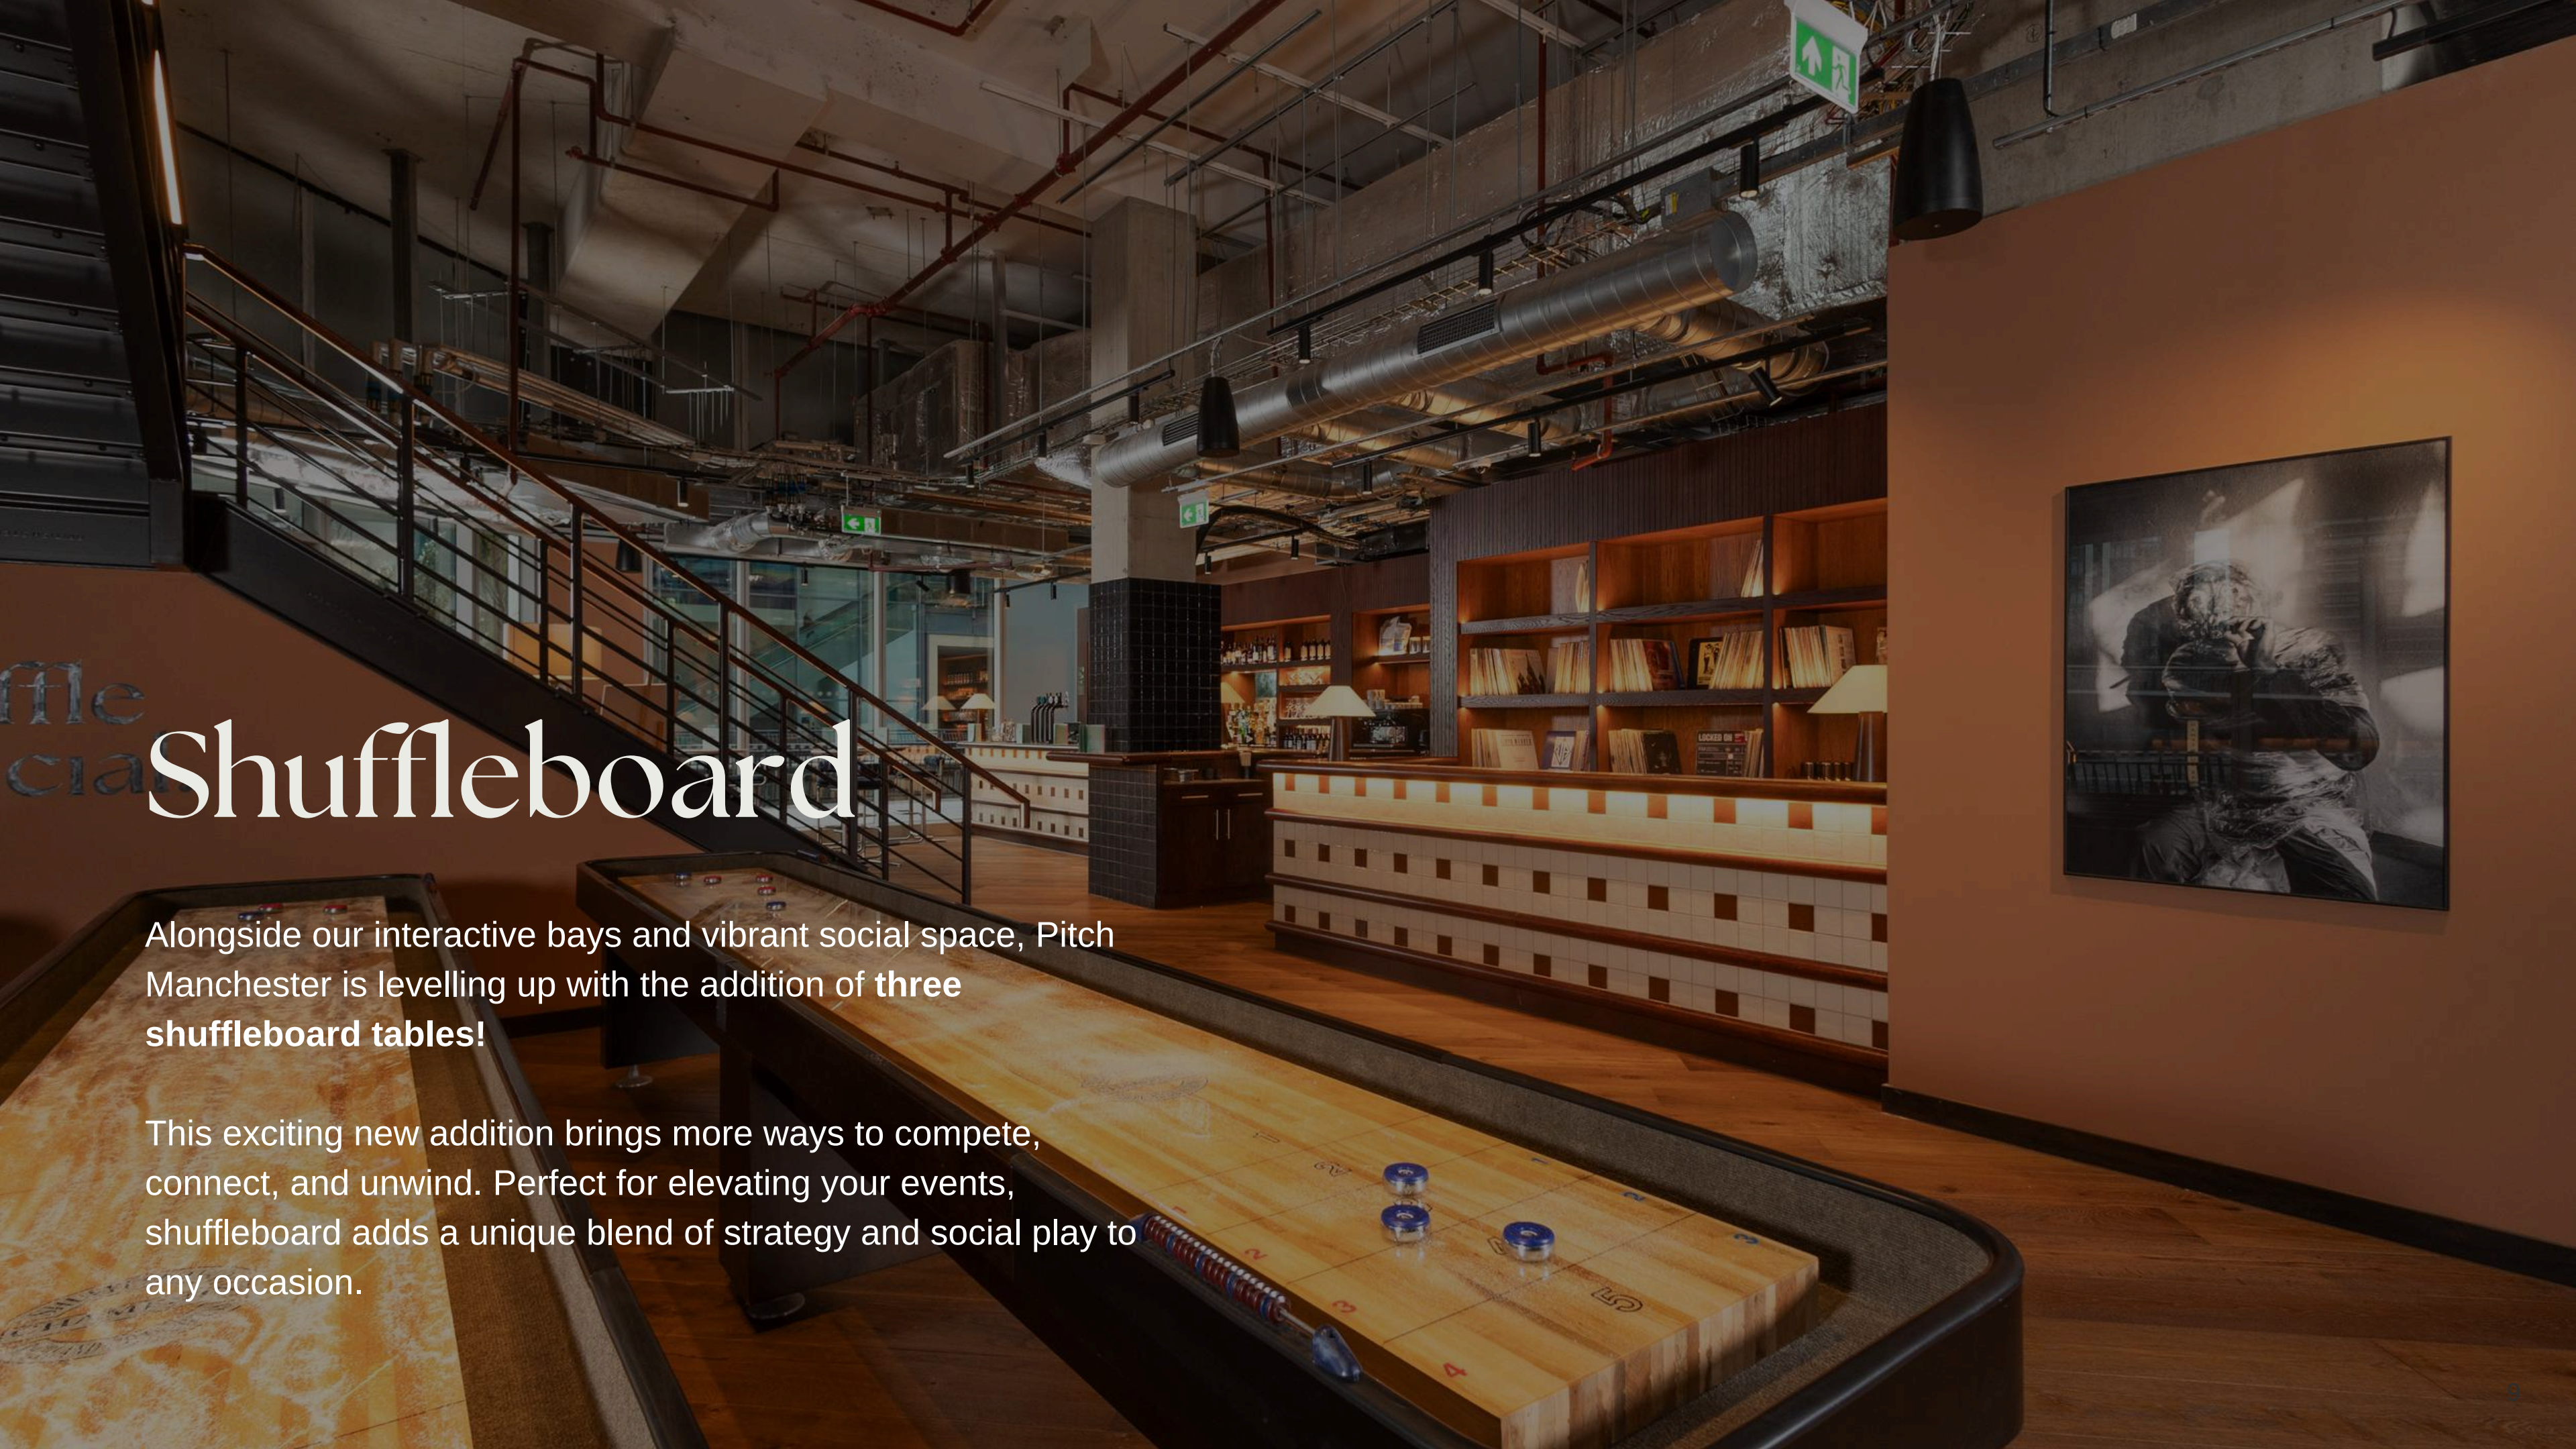

Experience the modern way to play golf with **virtual games** like Party Putt, Cannon Bowl, and Streets of Neon. Perfect for all skill levels, Trackman games offer challenges from precision tasks to fun showdowns like closest to the pin.

Elevate your event at Pitch with full or half-venue hire, offering activities like **shuffleboard**, **roulette**, **Nintendo Switch** or even casino corner which is always a popular option.

For an added touch, enjoy expert coaching from our **PGA Professionals**—perfect for beginners or those looking to refine their game. Custom arcade games are also available on request, making it ideal for mixed-ability groups.
